Minocqua / Kawagasuega Lakes Protection Association (MKLPA) is an all-volunteer group of concerned and involved citizens working to protect the lakes and their surroundings by enhancing the water quality, fishery and aesthetic value of our lakes as public recreational facilities for today and future generations.

MKLPA is a 501© (3) Non-profit organization. See your tax advisor about tax deductible donation(s).

### We need your help! Your membership & donation works towards

- Combatting Eurasian water-milfoil (EWM) presence in our lakes.
- Improving Water & Boat Safety and Shoreline Preservation
- Enhancing Walleye & Fish populations
- Monitoring Water-quality

All our goals require collaboration with or approval from various state agencies and other private groups.

Working on these goals requires tireless participation from everyone living on, recreating and relying on the beauty and usefulness of our lakes. MKLPA asks you to join and participate in our vision – **“To Maintain and Improve the Quality of Our Lakes”**.
